The Stay-at-Home Art History Quiz

Department of Art History and Visual Studies
Welcome to the Art History Stay-at-Home Quiz!

On each slide you will see a composite picture. Identify each image and follow the instructions (you will be asked to find letters from the name of the artist, the subject, the name or location of the building, and so on) and use this information to reconstruct a series of words.

(Note: The names of all artists, locations, and buildings are in the forms they are most commonly found in English-language art historical publications)

Answers will be posted July 1st Good luck!
